A top-quality precision tool for every power drill owner

SUPREME SCREW DRIVER ATTACHMENT

by the makers of famous Supreme Brand Chucks

Here's the tool you can sell to every power drill owner. The Supreme Screw Driver Attachment performs perfectly... sinks screws in a flash in all woods... works with any 1/4" (or larger) capacity power drill. It's good looking, well packaged, and has clear instructions.

And... most important of all—it is priced to sell... several dollars under any similar tool of comparable performance. Get full details on this sure-fire profit maker from your wholesaler or by writing direct. Do it at once.

These points make Supreme the line to push

- Lowest prices by far
- Top performance • Two sizes to sell
- Top appearance • Best packaging
- Simple instructions
- For "Do-it-yourselfers"

Overwhelming approval of power tool makers

Leading power tool makers (names available on request) are ordering thousands of Supreme Screw Driver Attachments for inclusion in 1/4" power drill kits. They have recognized the great sales appeal of the unit. Sell Supreme in your store to the hundreds of power drill owners who come in.
